PROGRAM DETAILS

Cathy Groulx - December 3rd (Woodstock)
Cathy will be giving us feedback from an artistic point of view by reviewing previous competition images.

Christmas Potluck - December 10th
We will be enjoying a night of eats and treats and as well, Bill Hall will be presenting A/V Group slideshows.

Club Business and 2nd Competition Results - January 7th

Bill & Deb Hall January 14th (Woodstock)
Bill & Deb Hall will be discussing unleashing your creativity. Feeling in a rut or no longer excited about your photography? Has it been a while since someone said "WOW" to one of your images? Maybe it's time to unleash your creativity. This evening is not about composition or camera controls, but rather about what stimulates our brains and how to apply that knowledge to our photography. We'll show you practical exercises that will help you stimulate your creativity and spice up your photography.

Gilles Sweet-Boulay - January 21st (Fanshawe College)
Gilles, along with Fanshawe students will be discussing what they are learning and displaying their fine work.

Russ Salamon - January 28th, (Tillsonburg)
Russ will be doing a discussion of methodology and actually walking through a still-life shoot from start to finish on light painting.

Travel Around The World - February 4th
We continue our discussion regarding travel photography, Bill Boswell and Diane Weiler will be presenting and discussing their recent travel adventures along with packing and equipment choices. William Niessen will be showing us digital blending of images.

Our 2nd SIG Night - February 11th
***bring your camera and tripod**
- Tabletop macro Photography
- Multiple strobe photography
- Still life

Erwin Loewen February 18th (Aylmer).
Erwin will be discussing portrait photography and unique ways of posing your subjects.

Pete Raine - February 25th (London)
Peter will discuss astrophotography.

Club Business and 3rd Competition Result - March 3rd

Sylvia Galbraith - March 10th (Fergus)
Sylvia will be discussing composition and photographic style.

Scott Simons - March 17th(Niagara Falls Canada)
Scott will be discussing early morning nature photography. He will also be discussing macro photography and unique ways of mastering your macro lens.
